Dear Co-owners

With much sadness, we regret to advise that Charlotte Keel Medical Practice will be transferred to a new provider from the 1 July 2023.

This news follows a national procurement process run by the Integrated Care Board, which has selected One Medicare as the preferred bidder.

We feel very proud of the service provided by everyone involved with Charlotte Keel and are disappointed this will not be continuing as part of BrisDoc, for the long term. All of us offer our support to colleagues affected by this change and we will be working together over the next few months to ensure a smooth transition.

Please note, this news does not affect any of our other service contracts and we are not expecting any other procurements at this time.

If you have any questions or thoughts you would like to share please contact Nicki Clegg, Practice Services Business Partner - nicki.clegg@nhs.net

Best wishes.

Dr Caroline Stovell (Deputy Medical Director Practice Services)**
