#### Introduction

This SOP sets out the procedure for retrieving recorded telephone calls from the Oak and Synety voice recorders for audit purposes and investigations into complaints and incidents.

#### **Objectives of the procedure**

To support BrisDoc assure itself of the quality and consistency of telephone conversations between staff and patients or professional colleagues by making calls available from the recorders for auditing by Senior Managers and the GP OOHs and GPSU clinical governance teams.

#### The Standard Operating Procedure

# For calls made/received at New Court, Clevedon, Yate, Southmead, Cossham
